## ***American Careers Business Program*** **Collection of Symbols**

In order to learn more about each of the six business pathways, you'll be working with a group to look at one of them.

1. Focus on your assigned pathway. Read or scan the information for that pathway.
2. Find the page numbers for your pathway in the Table of Contents in the student text.
3. Use this information to create a collection of symbols to give each other a better sense of what each pathway is about.
4. Use markers to complete your collection of symbols.
5. Be ready to share your symbols.
