## What's in the Guide?

Work with a partner to complete the following:

1. How many pages are in the guide?
2. What are Career Clusters? Look for the answer on page 4.
3. The Table of Contents provides a roadmap of the guide. On what page will you find the Table of Contents?
  - A. There are three sections to the Table of Contents. They are:
    - 
    - 
    -
  - B. Using the Career Clusters section in the Table of Contents, how many clusters are represented in the guide?
  - C. In the Career Clusters section of the Table of Contents, select one cluster that particularly interests you. Find the pages for that cluster and use the information to answer the following questions:
    - Look at the first page. Notice that the diagram is divided into sections. Find the outer rim of one section to recognize that each section is a career specialty. Career specialties are also called pathways. List the pathways.
    - On which page(s) can you locate occupations in the cluster that are in high demand in North Carolina?
4. Find the page numbers for general cluster information Web sites.
5. Find the page numbers for Tennessee's Future Ready Course of Study.

If you finish before we do...

Complete the above questions for another cluster.

List individuals or groups in your school or district that need the information in the Guide.
